STUDENT LIFE

FISH FANATICS

RIGHT: Astoria High has been a place of mass school spirit the past couple of years. Especially with Steven Hess who created the Fisherman Fanatic t-shirts that almost every Fish Fan owns!

BELOW: Forgetting all about her dressy outfits, Susan Forrester puts her face into a cake for class points for an item hunt in a chocolate cake!

Don't be fooled by her closed eyes, this sophomore is anything but sleepy. Singing the Ama Matter, Emily is simply getting sincere.

Sara Kelley is lifting the chorus and speeding it onward as she sings along with the crowd to the Alma Matter as well.

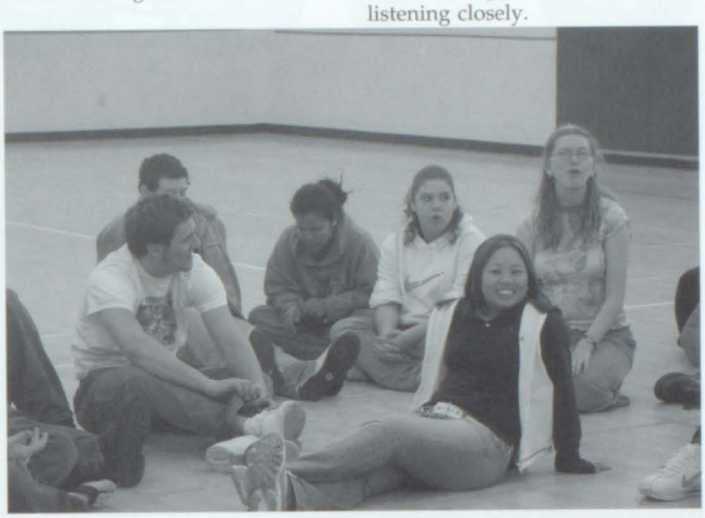
Far above Columbia's water with it's waves of blue stands our noble Alma Matter Glorious to view.

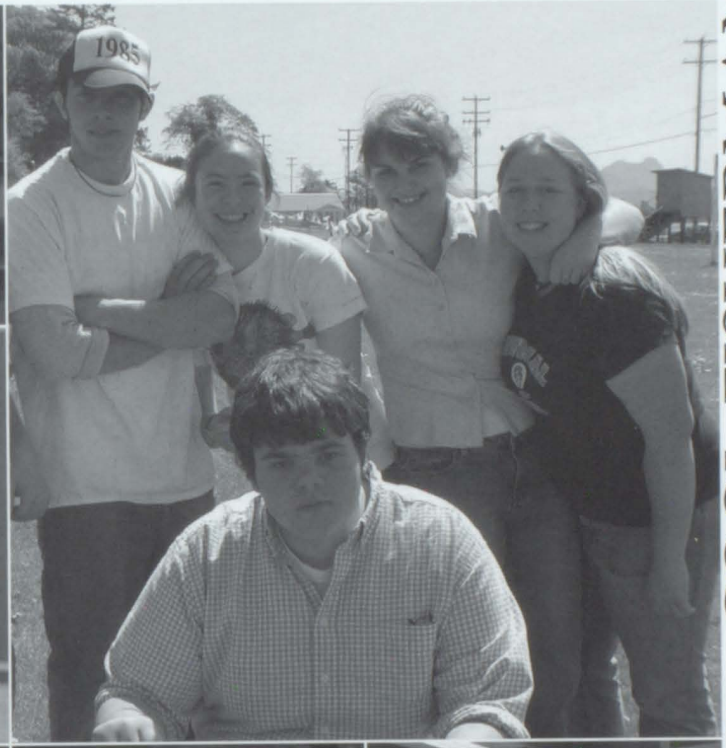
Making their way through the crowd of Fisherman Fanatics Robert Cannon and Sam Natividad have difficulties with their navigation.

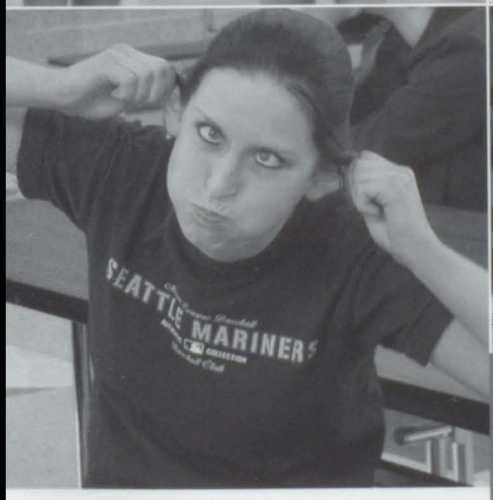
Addy Rutter and Nathan Savageau get comfy with the crowd as they link arms and high spirits!

Challenge Day participants, Michael Mund, Becky Prichard, Travis Wesley, and Joey Dursse lay around during one of their breaks.

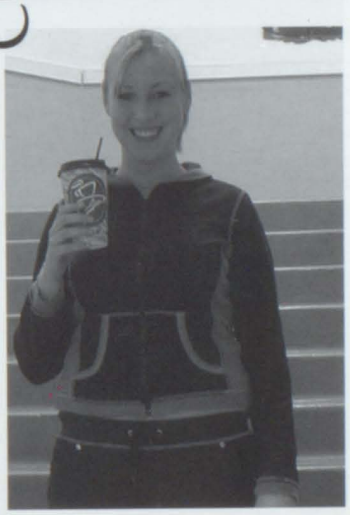
Kristi Chow is center of attention in this group of Challenge Day kids. as she leads a discussion with Andrew Mattingly, and Jeannie Waller listening closely.







COOL FISHERMAN



Top Left to Bottom Right: The cute as a button Colleen Farrell, Steven Hess, AJ Johnson, Lillian Brown, Addy Rutter and Yuri Sabol soak up some rays, Gabby Valdez and Alex Dowell wait for their friends in the new gym, Janine Gunn monkeys around, Hannah Bunnell and Maranda Blecha look gorgeous as ever.

Breaking two of the school's most enforced rules, no food or drink in the classroom halls and no skateboards, rollerblades or scooters in the halls, Courtney Foster and Jim Gillette proudly show their insubordination.

Boys Cross Country

For the fourth year running, Boys Cross Country brings home some impressive hardware for both districts and state.

Not unlike the previous 3 years for Astoria Boys Cross Country, the team easily won the district championship, running a low score of 25 to beat the Scappoose Indians who ran a team score of 58.

The 1-2 punch of Astoria, Tomás Morrissey and Gordon Eckert took the first and second place titles, both running personal records of over 30 seconds from the previous year. They were closey followed by teammates Drew Gustafson (7th), Ian MacDougall (8th), Johnny Wilson (10th), Jason Holyoak (12th) and Jonnie Dunne (16th). Junior Clay Barrick, ran his first JV race of the season winning the JV district race by 32 seconds. A new member of the team this year, senior, Jacob Berezay, placed third for the JV. Astoria also had five more competitors racing in the JV race, sophomores, James Owen, Ben Lilley and Wille TenEyck, along with freshmen, Nic Faulkner and Josh Banta.

The team improved to its peak at Eugene when they brought home a Fourth place trophy from the state meet. Astoria's top runner and boys team captain, Tomás Morrissey, ran a time of 16:04 to place third overall in the 3A division. "It was bittersweet race, I put out a good effort and with a third place finish you can't be too discouraged." His time would have won the state meet 60% of the years it has been held since 1957. Gordon Eckert raced to an 11th place finish beating his personal record by 48 seconds. Jason Holyoak had been injured most of the season but came back to race in the district and state meet. The rest of the boys who made it to state were all sophomores and for many it was their first time running at the state meet. Drew Gustafson came in as the first sophomore for Astoria, running 17:29, just seconds ahead of teammates Johnny Wilson and Ian MacDougall. Jonnie Dunne was the only sophomore on the team who had run the state course before, "I'm just glad the other sophomores got to go this year, it gives us experience that will help our team next year and the year after."

The boys team this year included four seniors, one junior, eight sophomores and two freshmen. Eight of the eleven runners with be returning for the 2004 season. Eventually when the 2006 class reach their senior year, Astoria looks to have a very experienced and promising team.

Girls Cross Country

Only two seniors graduating from this years team the future looks to be strong with an improving nucleus of runners.

On the girls side for Astoria Cross Country, it was hard with only two veteran runners returning to challenge for the District Championship. Last year's District Champ's graduated 5 of the 7 runners that went on to state. Injuries and very tough competition made the 2003 season even more difficult to fight for a team qualifying spot at the state meet.

Half way through the season Astoria lost their number 2 runner, Danielle DeBoer, to a knee injury that made her unable to compete at the district meet. Senior Amy Landwehr stepped up to run "the best race of the day," as stated by head coach Spence Barker, to help the girls come just three points shy of second place against Seaside. "The girls surprised everyone when they were beat by only 3 points at the district meet, since we had lost Danielle and the team had had injuries earlier in the season," says co-captain Amy Landwehr.

The top finisher for the girls was sophomore Katy Choate who led the team with a second place finish overall. Maia Donachy and Charcie Berezay ran huge personal records, running almost 2 minutes faster then their previous race times. "I would have to say Charcie has improved the most out of anyone on the girls side, shes become a big part of the team." Freshmen, Donachy was excepted to be one of the top three runners for Astoria but started off the season with an injury that took a big part of the season to heal. Mary Green also ran the race of her freshmen season setting a new PR. Co-Captain Jeannie Waller has definitely been the most inspirational of them all. Over her 4-year career with cross-country she has knocked an incredible 5 minutes off her PR and 11 seconds from 2002 districts to the district meet this year. Two of Astoria's Junior Varsity runners, Sarah Nevin and Dezeray Simon, joined late in the season but still had strong races at their first ever district meet and third meet overall. Sophomore Mackenzie Rascoe had been injured part of the season but still had a fun race.

Overall the girls this year were faster and stronger then last years district Champions. The team took two individual competitors at state. Earning second and fifth place finishes, Choate and Landwehr qualified to take a trip to Lane Community College where the state meet was held. "I enjoyed having Katy along with me for state, the company was great," said Amy, she went as the only Astoria girl her sophomore year. Only two seniors graduating and one junior on the team the future of Astoria Cross Country looks strong for the next few years. "I had so much fun! Our teams awesome, I can't wait 'till next year!"- Charcie Berezay

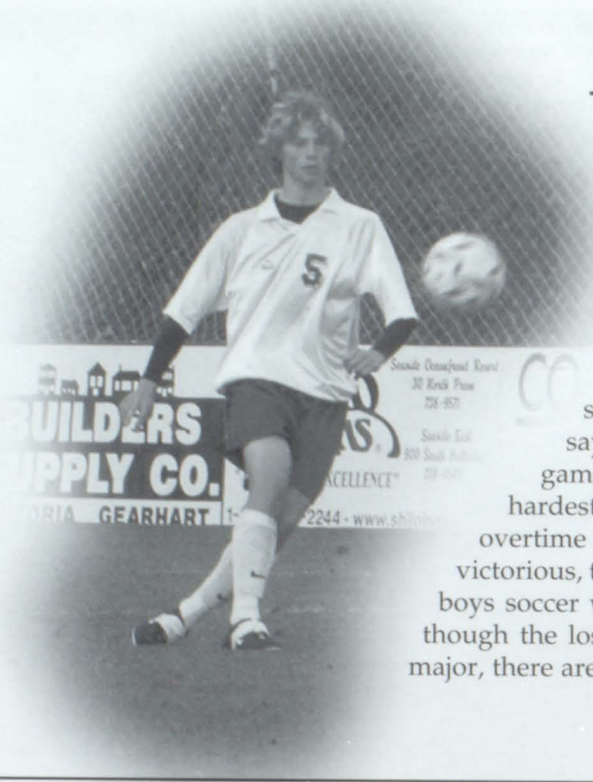
Varsity Boys Soccer

Fishermen Boys end up with league and district titles and a tie for fifth in state.



Astoria Boys soccer had a great season this year, winning league, districts, and tying for fifth in state. Goal Keeper Henry Brause says, "After losing your last game of the season in the fifth round of sudden death penalty kicks, it's hard to look past that one loss and see how good of a season it really was. We played really well and really came together as a team."

The captains are Seniors, Angelo Schauermann, Adam Kauppi, and Ryan Law. The team entered this season very experienced and knew how to play well together, which is what helped them get so far. Also, Coach Jerry Boisvert won Cowapa League Coach of the Year, at the end of the season. So having that much talent on a team and an awesome coach, made them very successful. Seaside was one of the major games where more fans showed up, and players really wanted to win. Captain Angelo Schauermann says, "I was really juiced that we beat Seaside 2-0 in our last game." For the last game of the season vs. Estacada, the fishermen had to pull through and try their hardest. The crowd was on their feet on the sidelines as we went into double overtime and then into sudden death penalty kicks. Although Estacada came out victorious, the boys were still proud of their accomplishments. Again next year Astoria boys soccer will be successful, having thirteen or more returning varsity players. Although the losses of Schauermann, Kauppi, Law, Cruz, Lane, and Alcantar are pretty major, there are many talented boys to take their places.

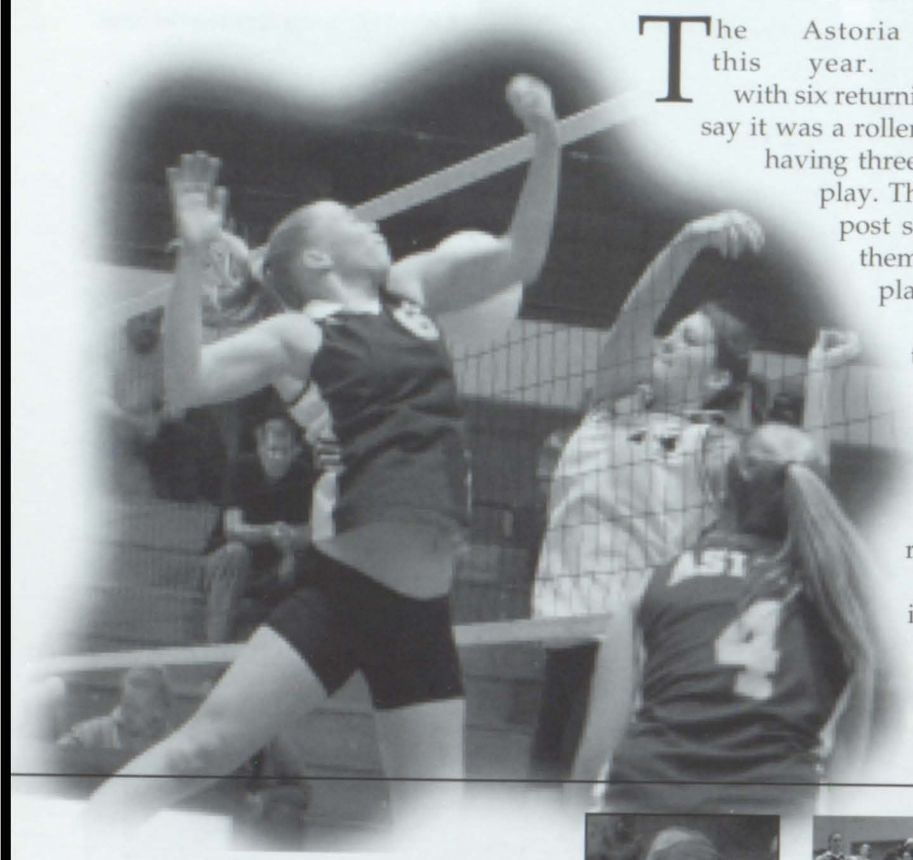
Varsity VOLLEYBALL

Astoria girls work hard and end on a good note with a playoff appearance.



The Astoria Volleyball team found some success this year. The fishermen headed into the season with six returning varsity members. To sum up the season, the girls would say it was a roller coaster. They did awesome during the pre-season games having three wins and one loss, but started to stumble during league play. They finished league with three wins and seven losses, and post season they had two wins and one loss. The girls picked themselves up and proved they could play together during playoffs.

Senior, Heidi Hanson led the team with the most kills for the season, hammering 67 kills. Senior, Shelby Cullen came in second with most kills, having 61. Senior, Shelby Raichl tied leader with Cullen, Heather Arnold, and Shyra Merila for second most aces (10) trailing behind leader Nicole McBride, who had 14 aces. Hanson, Cullen, and Raichl will be greatly missed next year, but Astoria looks to have six returning juniors to lead next years team.

Coach Hunt says it depends on how hard the girls work in off-season, how much they will improve next year.

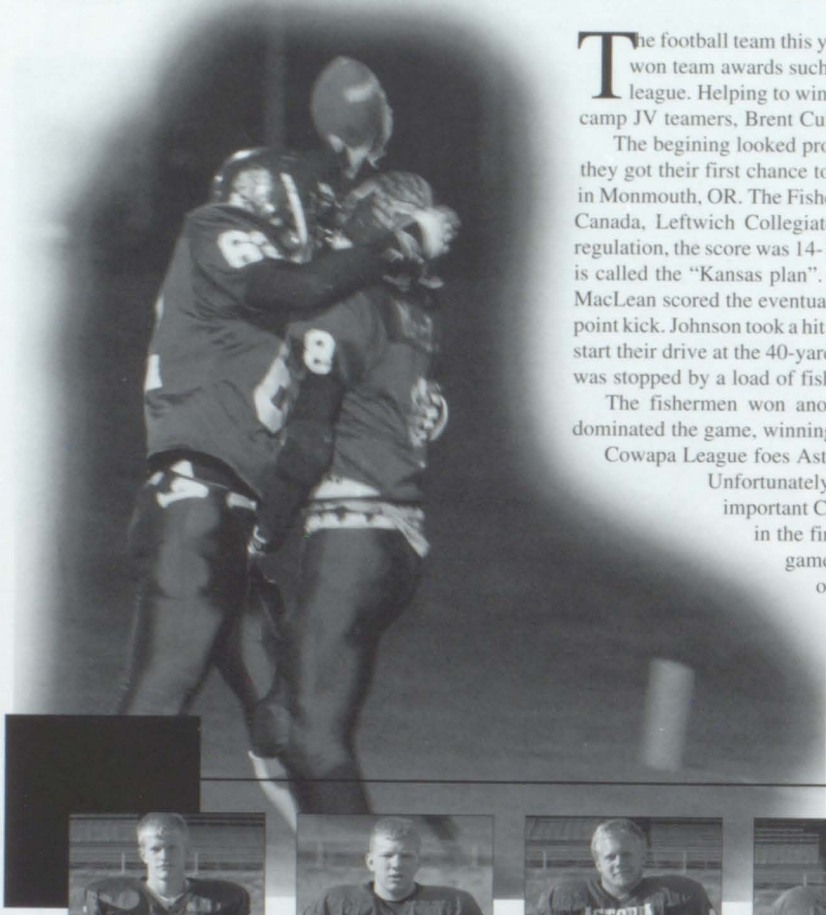
Varsity FOOTBALL

Fisherman Football fans see improvement of this year, as the first step to a league title.



The football team this year looked very promising, from the first time they all came together at Gold Beach and won team awards such as the team lifting award, overall team lifting and skills competition, and the lineme league. Helping to win these awards were two all camp players, Nate Alfonse, and Adam MacAloney, and al camp JV teamers, Brent Culver, and Aaron Coy.

The begining looked promising, but what really mattered was what the team could do on the field. On Sept. they got their first chance to prove themselves against a tough Central Panthers team, but fell short in a 27-7 los in Monmouth, OR. The Fisherman knew they couldn't give up, and in the next week versus a very strong team from Canada, Leftwich Collegiate Institute (LCI), the Fisherman played strong the entire game, and at the end o regulation, the score was 14-14. The tie meant both teams would get one drive to score from the 25-yard line, in wha is called the "Kansas plan". The fishermen worked their way methodically to the goal line when Junior Andrew MacLean scored the eventual game-winning touchdown. Kye Johnson capped the winning drive off with an extra point kick. Johnson took a hit after the kick, which resulted in the Canadians receiving a 15-yard penalty making them start their drive at the 40-yard line. LCI slowly crept their way up the field until a forth down play near the goalline was stopped by a load of fishermen defenders, and the crowd erupted over the win.

The fishermen won another non-league game against the North Marion Huskies in Aurora, OR, Astoria dominated the game, winning 24-6. Adam MacAloney had a very strong 108 rushing yard game. The win showed Cowapa League foes Astoria is the real deal coming into league play.

Unfortunately, The fishermen were only able to muster up one league win, but it came in the ever se important Clatsop Clash Game against the Seaside Seagulls. After a quick score from the Seagulls in the first quarter the Fishermen let them have it, outscoring the Seagulls 38-0 the rest of the game. Five Fishermen saw the endzone in the game, in a strong offensive game of 447 total offensive yards.

The rest of the season the Fishermen were able to hold their own against the number 1 and 2 ranked teams in the league, Banks and Scappoose respectively. However the fishermen fell short in both games 7-27 against Banks, and 14-28 vs Scappoose. With a big turnaround this season the Fishermen feel they can only get better next year. With many of next years seniors seeing 2 or more seasons of varsity playing time the fishermen will have no trouble when it comes to experience, it will all be a matter of who wants it more.

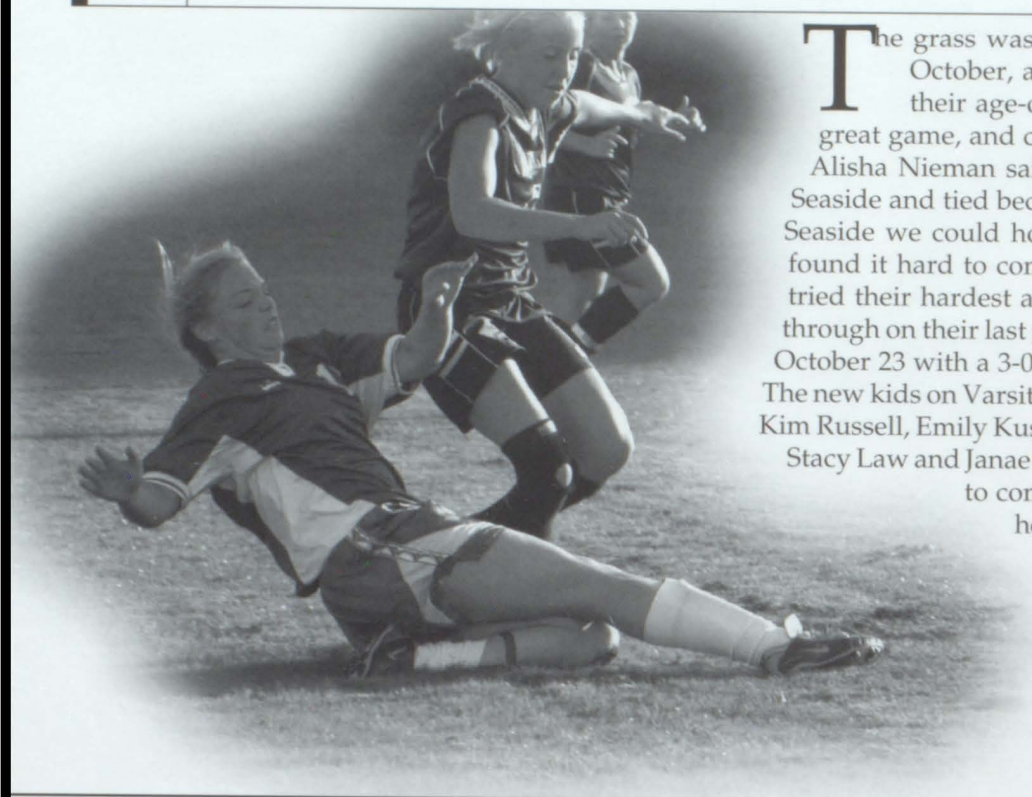
Varsity Girls Soccer

> *Lady Fishermen finish a fun season with hope for next year.*



The grass was green and the field was wet on that cold day i October, as the Astoria Girls Soccer Team prepared to me their age-old rivals, the Seaside Seagulls. The girls played great game, and came out satisfied with a 0-0 tie. Captain and MV Alisha Nieman said, "The best game we had was when we playe Seaside and tied because everyone showed up to play and we showe Seaside we could hold our ground." With a tough league, the ladie found it hard to come out victorious. Having many holes to fill, the tried their hardest and came out with a record of 1-2-11. They pulle through on their last game of the season (a makeup game vs. Corbett) o October 23 with a 3-0 win, and a hat trick from Maia Fastabend.

The new kids on Varsity this year included sophomores Becky Caccavan Kim Russell, Emily Kuske, Megan Gallegos, Marlie Cokley, and Freshme Stacy Law and Janae Poe who was also Most Improved Player. They ha to come together and learn how to work as a team wit help from their most inspirational players, Sentgeorg and Russell. To help wrap up the year, Sophomor Caccavano said, "We sucked, but it was fun!" Th lady Fishermen are only losing four seniors, whic should make for a pretty experienced team nex year, with ten returning girls.

2. Caitlin Clarke
3. Lindsay Prichard
4. Maren Holyoak

The JV girls soccer players had a real learning expirience this year. Long practices and hard work started to pay off in the end, as the young girls ended up tieing vs. the tough OES on October 6. Lead by their tough defense, including Caitlin Clarke, Courtney Hanson, and Maritza Sanchez, the ladies held off the Aardvarks to an almost victory. With help from their offensive players, including Maren Holyoak, Amanda Silva, andMarlie Cokley, the ladies came off with a record of 1-7-4 and have much hope for next year.

Girls Swimming

Lady Fishermen are Victorious!

As another tough winter of strenuous practices, long meets and record breaking times the fisher-women have pulled through another awesome swimming season. The girls took both league and district championships for the first time in the history of the Astoria swim team and all together with the boys fifteen of the group went to state. The team shown through in really tough times especially with the help of the exceptional seniors Jeanne Waller and CeCe Wills, who will be graduating this year, both of them swimming since they were Freshman. Jeanne said that she loved the long bus rides home and she enjoyed being with all her 'fishy' friends. Both of them will miss it very much. When the coach was asked to put in a few words this is what she had to say, coach Oja said, "It was really a clean sweep competition, we got lots of trophy's and it was just a phenomenal year, we made history!" For the start of the season with only a month to prepare for the upcoming meets, the team has long practices where they swim hundreds of yards sometimes even making it over a thousand a day. But with the long hard preparations, it gave the girls an all-out successful season being undefeated!

Boys Swimming

History in the making...

For the first time, the Astoria High School takes both league and district championships! Something that had never been done before in the History swimming at the Astoria High School. "This year was such a great season, it was phenomenal. We have a remarkable group of kids here, and its going to be really sad seeing the seniors go." Said Coach Carla Oja. Enduring in all they can this year, the senior swimmers came out on top, wholeheartedly swimming for their team in their last year as fishermen. "The seniors made up a lot of what made the team so great this year. When you put them together with the underclassmen and with all the past experience they have they can just about do anything. Even with such a long break from swimming the guys just get right back into it and day by day you see them improve so much, their times improve in tens of seconds." Said Coach Paul Gasgoine. The guys made an outstanding team this year and along with districts and league championships they also went to state! "This was the coolest year for swimming, I'm so glad I got to be a part of it. Being undefeated is what it's all about man." Said Junior Ryan Gallager.

Pizazz Dance Team

Pizazz Team moves into the hardest division in 3A but still peaks in performance at the State Competition.

This year for the Astoria Pizazz Team has been one of the most accomplishing in the past five years. The team not only won three of their four competitions but came only two points shy of placing first to Philomath attheWoodburn competition.The team is also hoping to come out of the state competition with a good placing. Out of the 14 years Astoria has had a Pizazz Dance team the lowest state placing they have achieved is fifth. Although the team has not won the State Competition since 1993 they are hoping to change that this year. "We're aiming to get first but definitely top three", says freshman, Karlee Johnson and Stacy Law.

The team ended up coming out of state with a 5th place finish behind Stayton, Sherwood, Philomath and Scappoose. It wasn't what the team was hoping for but they still had a positive attitude, "I honestly think we were kinda ripped off, there wasn't anything we could have done differently and our coach said we danced the best we had all year", states Johnson.

The team is led by captains, Kari Henningsgaard and Tarah Wesley, both juniors. "I'm looking forward to being a senior with Kari and trying out for All State and choreographing for the state competition again next year" says captain Tarah. The team agrees Forest Grove was by far their best competition where the team beat Banks (last years state champions) for the first time in 4 years. Around a month after the team won against Banks at Forest Grove, they were moved up to 3A large. "It was weird that we were moved up because it was only a month until state and it was right after winning at Forest Grove", says Johnson. "It was a conspiracy (Captain Tarah Wesley laughs), We were In the toughest division, we were most definitley the smallest team made up of 14, as opposed to Staytons 30. The 2 divisions (3A small and 3A large) are based on completeley different things. Things like special effects which you can do with 30 people and 3A small is based on dance, whos better..." 3A large is made up of 8 different teams including Stayton, Scappoose, Sweet Home, Philomath, Sherwood, Gladstone, Wilsonville and Astoria.

The thing that has helped the team so much this year is the bonding. "This year has gone so much better, our team has bonded so much, it's a breeze compared to last year" says Emily Hill. The team has been bonding and getting together since August but the first offical practice wasn't until November 1. For some, dance team is just another opportunity to dance. All the members of Pizazz are dancers and take lessons up to 6 times a week. Dancers Henningsgaard, Johnson and Brooke Ardnt have been dancing for around 13 years. The entire Pizazz team being dancers helps out the team a lot. The thing Astoria Pizazz Team is known for the most is their unique techniques the team uses. "Its great because we won't be losing anyone for next year and we'll be getting some new freshmen" says Johnson about what the team will be like next year. The team is ready to move on from a good seasonto an even better season next year

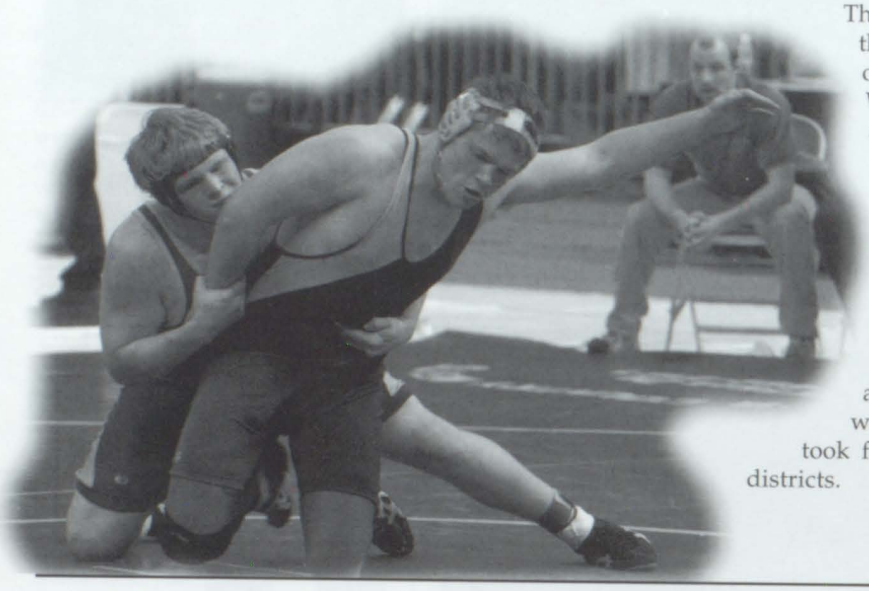
Wrestling

Junior, Jeff Crowley earns 2nd at OSAA meet and leads a young group of talented wrestlers to a successful season in the Cowapa League.

From tournaments to state, Astoria's wrestling team has been defeated as well as victorious. Throughout the year the team has participated in a total of six tournaments and nine meets. In a district like the Cowapa for wrestling it is almost impossible to move a wrestler from the district meet on to state. It is even tougher to place. Out of six teams, Astoria finished sixth but placed several wrestlers and moved three onto the state meet where Jeff Crowley eventually settled with a runner-up showing to Heath Paxton of Baker.

At the beginning of every sports season, the team realizes whom they lost and whom they gained. This year wrestling for Astoria High School is freshmen Jake Banta, Josh Banta, Ben Mattingly, Randy Osborn and Alex Wilson. Losing Richard McCullough and Travis Osborn due to graduation. The newcomers showed a lot of potential and most of them have wrestled since middle school.



The wrestling team started off at the Creswell tournament dominating the three-way match. At Warrenton's tournament we placed second out of a total of eight schools that were competing in the tournament. With Vernonia came luck as we conquered the tourney and left with a score of 59-16. Our winning streak seemed to slow down a bit when we lost to Rainier with a score of 24-49.

The Pac Rim tourney is the second largest tournament for 3A schools. Astoria came and left holding eighth place. During Westview's dual tournament between four 4A schools along side two 3A schools, the wrestling team overcame Sandy High School (4A), Marshall High School(4A), Wilsonville High School(3A). Unfortunately, we lost to Westview (4A), placing us in third.

We had many promising young wrestlers but only 3 managed to qualify for state. Jeff Crowley, Kent Russell, and Josh Kindred were experienced and returning to districts as well as state. Crowley took first, Russel placed second and Kindred squeaked in at third at districts.

Varsity Boys Basketball

Fishermen have strong showings throughout season, and make it to league playoffs.

The season for the boys' basketball teams was a roller coaster ride for the teams, but with more lows than highs. However, the highs were exhilarating. It took the boys 4 games until they would reach their first win after losing close games to highly ranked teams in two states, Madras, Crook County, Ilwaco and Mark Morris. The big win though, came from an Elma, Washington team, when the Fishermen shaved by them to get the narrow 65-60 win.

It only took two games to reach the next victory, and it was the teams most convincing win yet, beating Douglas 64-44. This win allowed the fishermen to move on to the championship game of the annual Vince Dulcich tournament, where they would, the Knappa Loggers. The Fishermen played tough and the game came down to the final seconds, but the Fishermen just couldn't pull through as they lost 51-48.

The Fishermen would win two out of four games left during the non-league season, and those wins came against Mollala (57-42) and North Marion (61-44). The final game of non-league play was against a team near Lincoln City, the Taft Tigers. The Fishermen went into the game feeling strong, but their hopes were quickly extinguished as the Tigers trounced the Fishermen on their way to a 64-46 win.

As the league season started the fishermen knew they would have to step things up, and they had chances against Rainier (73-66), Tillamook (62-43) and Seaside (58-53), but lost each game. The big first win of the league season was against Banks as the Fishermen showed off their true game, beating the Banks Braves by nearly 30 points as they rolled to a 74-46 victory.

After losing to Scappoose 65-44, the Fishermen started off the second half of league beating Rainier 66-58 on the road. The Fishermen would not see another win all season, but they did however make it to the league playoffs where they would meet Rainier once again. The Fishermen were disappointed however as they lost a close battle 72-66 to end the season.

The season was a success in someways, as many new players got a chance to develop. The season was capped off with the awards night hosted by the Jaspers at their farm. Digger Cokley was announced as the lone All- Cowapa League player as well as earning the team Most Valuable Player award. James Jasper, and Anthony Hill received honorable mention All- Cowapa League Honors. Also receiving awards were Chad Geertz, James Jasper, and Joe Painter, all for co-most inspirational.

What was your favorite game of the year, and why?

When we beat Rainier beacause they were the only team we lost to our sophomore year.
– James Jasper, Senior

When we played Scappoose, cuz I think that was our hardest played game.
–Keenan Borgardt, Junior

My favorite game was against Banks, when we beat them in front of the hall of famers.

Varsity Girls Basketball

Rebuilding year for girls basketball after head coach resigns

The 2003-2004 girls basketball season was a struggle, but not a downer. With head coach Mark Fick resigning with only one game under his belt, the team had to pull together and work well with former JV coach Ralph Steinback. With only three seniors on the roster, two with varsity experience, and not much height, the ladies knew their speed and outside shooting would be the key. Excellent ball handling skills from Jade Kelly and Tara Johnson, along with the incredible speed from Kristann Quigley, made their guards seem unstoppable. Underneath pulling down the boards were Heather Arnold and Shelby Cullen. Cullen, the tallest player standing a mere 5'9", was also their top three-point shooter. Besides the Astoria starters the Lady Fishermen went deep on the bench with a great shooter, junior Nicole McBride, and strong player Laura Ferguson.

Along with the bad comes the good. Kristann Quigley played strongly against North Marion, coming out with 17 points and a solid defensive game. Tara Johnson came out ready to play on December 20, with 17 points in the Seaside Tournament against the Tuelake Honkers hailing from California. One highlight of this season was the girls last game in Scappoose. Even though they gained a loss, they ladies played excellent and all had a great time. Shelby Cullen had a tremendous game, hitting 4 threes and ending up with 21 points. Ending on a loss wasn't exactly what they had planned, but the girls were satisfied anyway.

The only two returning starters, Kristann Quigley and Shelby Cullen, the ladies were looking at a rebuilding year, and that is exactly what they got. The girls went 1-9 in league play, winning only against Banks on Senior Night. Four players who saw a little varsity time were Sophomores Marlie Cokley, Brittany McGinnis, Sara Kelly, and Bailey Davis. All of whom are strong players with a lot of potential. The ladies look forward to next year, as they plan to work hard and get many victories.

Boys Track and Field

Injuries pull up boys chances at state.

For the Astoria Boys Track team the '04 season was one of the best. The team had 7 boys compete at the state competition including two new freshmen. Finishing his first season, Steven Wentworth took second in the 100, 200 and 4x400 relay at the district meet qualifying him for state in all three events. Freshmen, Nick Alfonse also made it to state in the 4x400 and placed 4th in the open 400 meter dash at districts. As for the veteran runners, senior Angelo Schauermenn ran his best season. Running a personal record of 40.44 in the 300-hurdles and 15.54 in the 110-hurdles making him ranked first in the league and around 4th in state. The night before districts, Schauermann was injured while participating in a soccer game. His injury knocked him out of the running for state but didn't stop him from being the boys team MVP and scoring the most points for the team. Bryce Reikkola filled his shoes and took second in the 300-hurdles, qualifying him for state.

On the distance side of track, freshmen Josimar Macareno started off the season impressing everyone with his abilities in the 1500 and 3000 meter runs. Unfortunately Macareno was not able to finish the rest of the season, but ended with a time of 4:20 in the 1500 and 9:41 in the 3000. Cross-Country star Tomas Morrissey also shined in track, taking first in both the 1500 meter run and 3000. Morrissey went on to drop 14 seconds at state and take 4th place in the 3000 and 7th in the 1500, the only male Astoria competitor at state to come home this year with two medals. Morrissey was also named Astoria Boys M.I.P. Other distance district champions were Jason Holyoak who ran to a first place finish in the 800. Followed closely by teammate Jonnie Dunne who capped off the season with a third place finish in the 800 and 7th in the 3000. Dunne also went to state as the alternate for the 4x400 relay. Gordon Eckert finished off his last season with a 3rd place finish in the 3000 and 4th in the 1500 after being ranked 9th and dropping seconds with having an injury for a good portion of the season.

For throwers, Astoria had by far the strongest in league, but only top two will take the trip to state. Nate Alfonse, Nate Jump and Kodi Davis all had what it took to make the state qualifying marks (qualifying marks are determined by the average 5th place throw from the past five years). In the end, Nate Alfonse took third and placed 7th at state with a throw of 51.9.21 feet. In the javelin junior, Cory Hissner threw to a 2nd place finish just in front of teammate Simon Merila who took third. This was Hissners first year making it to state.

With two cowapa league competitors jumping over 6'1 it was hard for senior, Joe Kancharla to fight for a state qualifying spot. Kancharla ended up taking third in the district meet, and jumped 6'0ft as a personal best at the dual against Rainier. Sophomore Reese Kauppi also did high jump for the first year in High School and jumped a height of 5'10 to take fifth.

Girls Track and Field

> *Girls try to pull together after injuries and tough obstacles slow them down..*

After winning the district track championships last year the Astoria Girls knew it would be difficult to repeat last years season after losing top seniors like Juliann Nelson and Nikki Culver. Injuries also continued to slow down the girls. Top performer Kristann Quigley badly injured her quad muscle and was out for most of the season. Katrina Sentgeorge stepped in to run the 300 hurdles and ran to a personal record of 50.54, dropping 3 seconds from her previous time and placing third overall at districts. For other seniors, like throwers Addy Rutter and Heather Coy, the season turned out to be the best yet. Rutter making it to state in the discus and shot-put. Coy making it in the discus. Rutter went on to take 6th in the shot-put and 10th in the discus at state. Coy was right behind with a 11th place finish in the discus. Coy came out of the season with the MVP award while Rutter had the years best marks. Freshmen, Wendi Agalzoff, along with Coy, andRutter came together at the Anderson Relays to break two meet records that were held for 26 years.

Other State competitors included junior Shyra Merila and Senior Megan Gabriel. Merila lowered her time to a 1:02.77 to take 13th overall while Megan Gabriel went on to take a fifth place finish overall, her second time getting top eight at the state meet. Gabriel clearing the bar at a height on 5''ft. Other jumpers included junior, Britney Haskell that long jumped this season a personal best of 15'6 , high jumped 4'8 and finished off with a 31'1 triple jump. Haskell aslo received the M.I.P. award. Other sophomores included Katy Choate who was injured for the last part of the season and Sara Kelly and Emily Kuske. Both throwing over 96 feet in the javelin to take 10th and 11th at the district meet. Maia Fastabend who also tripled jumped for Astoria this season, although she was new her marks were among the best in league. Fastbend also took 3rd in the 400 with a time of 103.9 .

Astoria looks to have a good future with many of is track members being underclassmen and only losing 3 seniors. New freshmen, Jenae Poe and Rachel Gascoigne made their mark in the sprints and pole-vault, Poe sprinting in the 100,200 and 4x100 and Gascoigne clearing 7'6 at the district meet.

"I think more then anything the goal for next year is to show people that hard work and dedication lead to success."-Head Coach Lynn Jackson.

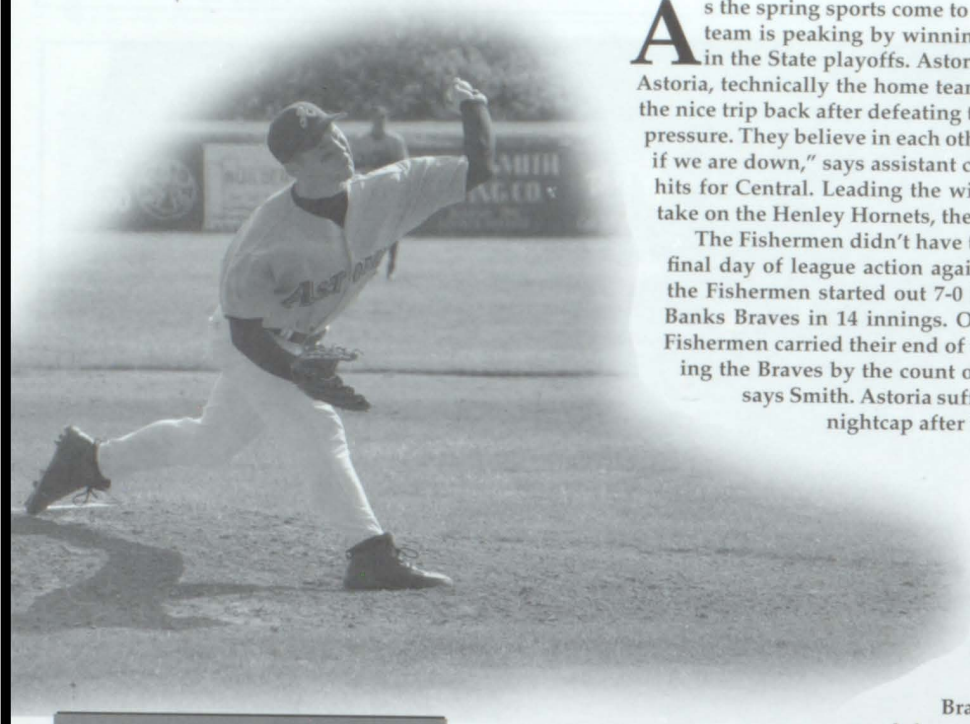
Varsity Baseball

Astoria Baseball players fire up the plate with a truly historic season!



As the spring sports come to their peaking point with the State tournaments, Astoria's baseball team is peaking by winning the 2004 Cowapa League trophy and receiving a first round bye in the State playoffs. Astoria took on Central in the second round of action in Independence. Astoria, technically the home team, traveled to Central because of field conditions. Astoria enjoyed the nice trip back after defeating the Panthers 4-2. "They kept their heads and didn't succumb to the pressure. They believe in each other. They also don't get too high when we're up and don't get to low if we are down," says assistant coach Wymon Smith. Astoria counted seven hits compared to three hits for Central. Leading the win was Ryan Kelly. Next, Astoria heads down to Klamath Falls to take on the Henley Hornets, the Skyline League champions and the second-ranked team in State.

The Fishermen didn't have the trophy handed to them as they clinched the League title on the final day of league action against the Scappoose Indians. Astoria blazed out of the gate, where the Fishermen started out 7-0 in league. To keep the perfect record going, Astoria defeated the Banks Braves in 14 innings. Once again Kelly pitched nine strong innings and the bats of the Fishermen carried their end of the bargain by having timely hitting in the top of 14th and defeating the Braves by the count of 8-5. "Ryan's one of the top if not the top pitchers I've coached," says Smith. Astoria suffered their first loss at Tillamook where the Cheesemakers won the nightcap after the Fishermen took the opener against Tillamook.

In the Clatsop Clash part II, the Seagulls flew past the Fishermen for a sweep by the counts of 2-1 in game one and 8-6 in the second. Astoria wasn't able to get the hits in the gap as they kept hitting to the fielders. After the three game losing streak, Astoria shined their bats and used the home field advantage to sweep the Braves in the marquee match-up. The Fishermen used the highly potent offense to send the Braves packing in defeat. In the opener, Astoria used Kelly's pitching along with the key hits to defeat Banks by the score of 5-3. In the nightcap Astoria crushed the ball as well as the opponent to ten-run the Braves by the count of 11-1 and acquired only one error with the solid defense.

After sweeping the Braves, Astoria headed into Scappoose needing to win just one game to clinch the league championship. Instead of taking just one, the Fishermen swept the Indians and captured the second league championship in school history.

Varsity Softball

A tough year bids experience for younger players and hope to bounce to the top of the league next year.

Astoria's softball team had a rough year this time around. After losing many seniors, the team could only find it in themselves to pull out one win.

After doing all right in the pre-season, they fell apart in the season. The team didn't have a dominant pitcher and were playing in a tough league. Although the team was able to hit the ball, the other teams were too. The team put plenty of errors on the board, and without a good pitcher to keep the runs of the board, the Fisherman fell victim to many teams. "We didn't do as well as we thought we would," said Junior Nicole McBride.

The team did all right at the plate, but opponents proved to be too much in the defense, holding the team to only one win this season. The Fisherman were beaten at Tillamook, 8-4, and then went to Scappoose to lose 18-2. Also traveling to Rainer, the girls suffered a loss, 11-1. At home the team also failed, and lost to Warrenton, 10-3, and then to Valley Catholic, 0-9. But the teams' highlight was being able to beat the Seaside Gulls, 3-2. Junior Molly Roman says, "At least we beat our rival."

This year's team was new, and had a lot trouble. "We had a young team," stated McBride. But next year the team is returning all but three players, Seniors Cecelia Wells, Tara Johnson and Nicolle Silva all graduate this year.

So with a developing team and a whole winter to practice, the team hopes to come back and dominate the field next year.

Girls *Varsity Golf*

The Astoria Girls Golf Team finishes off a very successful season with a second place finish at State.

Heading into the state match, the Astoria Girls golf team achieved an accomplishment for the first time in 27 years. By winning the district title, Astoria planned to use the momentum to bring home a state trophy. The Fishermen brought more than just a state title. Astoria carded in a 709 to secure the second place finish, only two strokes behind the Tillamook Cheesemakers.

On the first day of action, the Fishermen swung out to a hot start, as the top four shot in the 80's. Led by Arielle Stevens, who scored an 86 (14th over all), Astoria's lowest score that was counted belonged to Katie Cokley, as she shot an 88, which placed her 18th overall. As the day ended, the Fishermen ended up on top by three strokes as they scored a 348, while Sisters and Tillamook followed right behind.

The second day for the Fishermen was monumental as Astoria brought home the second place trophy. The second place finish is the second best finish in AHS girls golf history. Marlie Cokley ended the tourney as the top golfer for Astoria by shooting a 168 (8th overall). "Second is better than everything else but first," stated Marlie Cokley. "First would have been nice, but second was nice." This year's team had fewer strokes than the 1977 state champions, the one and only state title for Astoria's golf program.

Boys *Varsity Golf*

> *Another Solid year for a senior lead varsity team.*

Astoria Boys Golf had another great year in 2004. Coached from the first match all the way to State by Coach Foss, and led by senior Digger Cokley, they had a winning season. The winning started at the Tillamook Scramble, won by Cokley and Ben Wintermute, shooting a combined 65. Next up was the Astoria Chapman tournament, with Astoria ending third in teams, and the same pair of Cokley and Wintermute taking bronze, followed in fourth by Ryan Gallagher and Johnny Wilson. At the Beaverton Invitational, competing against 17 4A and only 2 other 3A teams, Astoria ended 13th overall and Cokley tied for 19th. Boys Golf opened the League competition against the Cheesemakers in a big win for both the team and Cokley. Next up was Scappoose, which was neatly taken care of by the Fishermen, along with the Banks Braves. Both matches were won individually by Cokley. After a disappointing loss to Seaside for the team, with Cokley still managing to net gold, the boys came back by winning the Crescent Valley Invitational, with Cokley taking in another gold. Then in a tournament match-up with the Seagulls, Astoria took sixth overall, with Cokley finishing fourth. In the final League match before Districts, the boys took out the Columbians with a 1-2-3-4-5 finish, led by Cokley, who was followed respectively by Gallagher, Wintermute, Wilson, and teammate Andrew Ellsberg. Then came Districts; after the first round, Astoria was in fourth, with Gallagher leading the Fish at 75. Cokley was tied for seventh place at 77 strokes. By the end of the next day, Astoria had come back to take second, only three stokes behind the rival Seaside. Cokley had an even bigger comeback, ended first and scoring yet another gold for the trophy case. Coach Foss, Cokley, Gallagher, Wilson, Wintermute, and Barnes all headed for State. After the first day, Astoria's team standing was eighth. By the end of the tournament, Astoria ended a solid 10 strokes out of tenth, and Cokley finished his high school career in eighth place.

Powder Puff

Tuesday, of Homecoming week, marked the beginning of the traditional competitions of Meatball and Powderpuff.

Meatball came first at the start of Tutorial. Boys lined up on both sides ready to try their best to gain points in the overall Class Points Race. The first game matched the juniors up against the inexperienced freshmen. In what should have been a decisive victory, the juniors barely came out on top with the win. Next up on the court saw the sophomores versus the veteran senior lineup. The seniors let the underclass team hang in but clinched the win for a spot in the final game.

The two younger teams played for third and last place with the freshmen proving their skill by gaining third place. Last and definitely not least, the seniors and juniors pitted against each other in what ended up to be a incredibly tight game.In the words of senior Sierra Shad, "The seniors had a little struggle at first, but in the end we pulled it off, just like I knew we would." With a close victory, the seniors added another twenty points to their class score.

Later that night, the girls showed what they could do on the field in action Powderpuff. The freshmen and sophomore half came first with the sophomore's gaining an edge on the frosh. The junior and senior half was interesting as the seniors tried to pull away but couldn't quite make it. The sophmores finished up the freshmen with a 18-0 lead. The senior game was more of a squeaze with the seniors gaining the victory in their first powderpufff win ever.

Steven Hess and Dana Churchill stand in the field as the King and Queen are announced.

Will Leino and Shelby Raichl stand in shock after being announced as this years Homecoming King and Queen.

What was it like to be nominated as a part of this years Homecoming court?

"It was marvy."

Freshmen: Wendi Agalzoff

"It was one of the wierdest things that's ever happened!"

Freshmen: Nick Matson

"It was exhilarating ... breathtaking ... and nearly orgasmic."

Senior: Steven Hess

Homecoming

Homecoming Highlights

Dressing up, tug-of-war, Bubba and Dennis introducing the court... All of these are only minor parts of Homecoming week. Homecoming week is a week filled with fun and interesting competitions that all lead up to one final event, Astoria High School's home game, which would be the last for the class of 2004.

During Homecoming week we had four dress up days like Hollywood day, in which everyone got to show his or her "star" worthy attire. Miss-match day let you dress however you wanted, without matching! Class Unity day brought you and your classmates together by wearing your class color. School Spirit day, which was the last but definately not the least, let you show your school spirit, and that came in handy later on in the day at the big game.

Pep-rallies and assemblies are main ingrediants in stirring up everyone for the upcoming game. At the pep-rallies there were many competitions to show your class power in fields like stamina, strength, knowledge, and vocals. The tug-of-war, push-ups, movie trivia, eating cheese whiz, the wheel burrow race across the gym, and of course the chanting of your fellow classmates. Let's not forget the cheerleaders and the flaggers gracing the gym floor with their talent and radiance. At the Homecoming court coronation Bubba and Dennis got to be themselves introducing the Homecoming courts, Teachers got to play the parts of the Homecoming court members, leaving the crowd guessing as Bubba and Dennis question them. By the end of the assembly we had the Homecoming courts which left us wondering who would be this years final Homecoming King and Queen.

The Homecoming game left everyone anxious to see at halftime, who they would announce to be our Homecoming King and Queen of 2003. The court all arrived in new cars accompanied by teachers and fellow students. The anticipation swept through the crowd as the final moments of wonder seeped through our minds. The Homecoming King and Queen had finally been chosen. The majority voted Will Leino as our 2003 Homecoming King and Shelby Raichl to be our Queen.

Hollywood Homecoming

Friday, October 17, 2003, the Homecoming Dance. With our commons area decorated in the theme of Hollywood and the red carpet below our feet, the dance had commenced. The commons area was filled with faces and glimmering outfits as everyone had dressed in their finest ready to show off how "star" like they could be. Overall, the Homecoming week and dance has captivated us all and let us show how we can join together and create some of the best moments of our lives..

Winter Arts Experience

RIGHT: Play that Jazzy music! Senior Brian Hall plays his instument for the crowd.

The mood at this year's Winter Arts Experience was a fresh one. On the evening of December 15 parents and students alike flooded the school auditorium. With the event being held for the first time in the newly remodeled school, people were able to see the new fresh artwork, and the new fresh commons.

The Concert band opened the night with pieces such as, " Of Kings and Christmas" and a featured performance by the flag team. Following them was the Orchestra and Jazz Band, who did pieces from "The Nutcracker", and the song, " I'll be home for Christmas". Closing the performance was the Concert Choir, Advanced Choir, and finally the Port City Singers, who did selections like, " Ave Maris Stella", and, " Pat a Pan."

After the performances students in art and woodshop classes invited everyone to stick around and view their fine pieces of work that were displayed on tables propped up for the first year unlike years past, when they would be set up on displays. And as the evening wound down students, friends and families went home, with a little food in their stomachs, and hopefully a finer appreciation of the arts, thanks the the big success of the 2003 Winter Arts Experience.

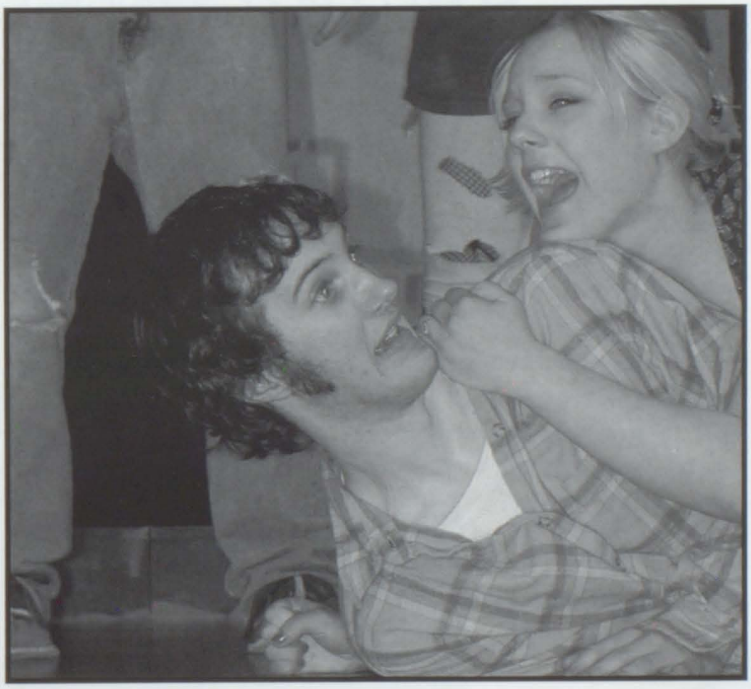
The fish was *this* big! No not really. Junior Rachel Roscoe spreads her arms in a dramatic gesture with the city of Seattle as the back drop.



Get him to pray!! Sophomore Shanah Lindquist plays her part with a passion as junior Jordan Okoniewski acts terrified.

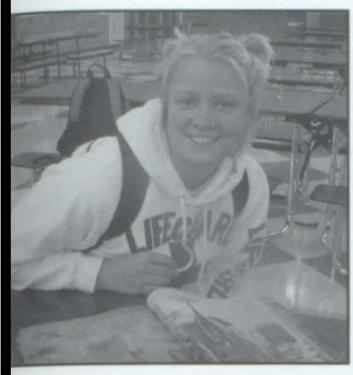
Junior Class Officers



Yvette Arnold

President

Alisha Nieman

Vice President

Jamie Mansfield

Secretary/Treasurer

Why did you want to be a Junior Class officer and what is it like?

YVETTE ARNOLD: "I was encouraged to be a junior officer because I thought it would be fun, and I would benefit from it by being more out spoken about how I think and feel. The best part so far has been being in leadership class. But one of the negatives it comes with is having a lot of pressure, I was on the prom committee and it was stressful, but I hope that it is better this year, that's what I tried to change was to help to make it more fun. One of the plus's was that I was able to be involved with a lot of things and people.

ALISHA NIEMAN: "I wanted to be a junior officer to be more involved with the high school and I just thought it would be something fun to do. The best part so far has been that the whole class is just pretty much a leisure class and you don't really have to do much, its just a lot of fun. One thing I tried to change was prom, I hoped to make it a better last dance for the seniors as well as just better in general, then last year. Some of the plus's and negatives would be that +'s you get to be involved in the high school more and make things better then the year before. -'S are that it can be really stressful, because you are trying to please the whole student body and, it all rests on you."

JAMIE MANSFIELD: "The main reason why I wanted to be an officer was because I really wanted to be in leadership class and you have to have a position to get in it. So no one else was running so I just thought what the heck! One of the best parts is that you get to work with a lot of people you wouldn't ordinarily work or hang out with. One thing I think I will benefit from this is having to take under responsibilities. Another thing that I really wanted to do was to make prom better. A plus to this whole thing is that you get to work with so many cool people and I haven't found any negatives yet!"

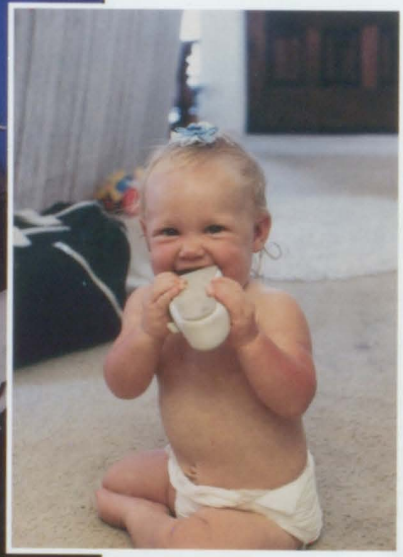
From a 10lb baby to a 210lb young man. Where did all the time go? Please make the right choices. Remember we will always love you.
Dad, Mom, David and James

TRACY (AKA ACE)

You've given us joy and laughter and filled our hearts with pride. Of all the jewels in the world, you sparkle supreme! The world is wide open and at your feet. Go forth and discover what it has to offer to our "Pretty, Pretty Princess"!

We love you with all our hearts,
Mom and Dad

Dear Shelby Ann Cullen,
We love you very much. No matter what you do, love it. Whatever you dream, never give up.
Congratulations!
and God Bless.
Love Mom, Dad and Sara



Shelena

You have been such a blessing to our lives. We've loved watching you grow up from a precious baby to a beautiful young woman. We are so proud of you. Keep your goals set high for your self and keep on singing! Share your beautiful voice with everyone always. You can accomplish everything you set your mind to. Trust yourself always and follow your instincts forever. You are incredible.

Love, Dad Mom, Stephen, and Sharian

KRISTI

Our little princess has blossomed into a beautiful young lady ready to spread her wings. Soar high and far in search of your dreams and, whenever you look down, you wil see us cheering you on with love.
Mom, Dad, Jason, Jeffrey

To our "Beacon Head" Shelbs,
Keep horsing around - Have fun!
Love you,
Mom and Dad

Dear Shelby,
To my one and only favorite sister and Best friend.
I will miss you.
Good luck.
Love,
Sara

ROBIN ANNE

We are so very proud of you. You have worked so hard to get to where you are, now the next chapter has just began. Please always remember that success is a journey, not a destination. There is nothing like a dream to create a future. We know that if you can dream it, you can do it. Follow your heart and your dreams, Sunshine.

Someday our Little Mermaid may actually get her chance to swim with the sharks.
We love you more than words can say!
Mom and Dad
...give to the world the best you have, and the best will come back to you.

Lillian

The young girl going out the door was once my little baby. Saturday mornings Bugs Bunny, Pee Wee's playhouse; Terry Teradactal, Rotten Randy, the King of Cartoons. Disney dreams, Talking heads, Devo-Funny thing, Saturday mornings.
The young lady going out the door used to be my baby. It's hard to put into words the words that need to be said when your smile says it all. Funny thing, smiles.
The young woman going out the door used to be our little baby. You now have your own aspirations, your own dreams, your own destiny. We are so grateful for having you. Funny thing, Little girls.

Luke

Wishing you much sucess in life. Very Proud of you!
Love,
Dad, Mom, Josh and Grandma

Our Dearest Sheleni,

Words just can't express our feelings for you. We are so very proud. You have maintained outstanding grades and you have accomplished multiple goals for such a young woman. Congratulations on capturing the title of Miss Oregon Teen 2003-2004. (You were the best!) You serve our state well. We look forward to being a part of your many exciting endeavors in the future.

Love Papa and Grandma

"Be such a man, and live such a life, that if every man were such as you, and every life a life like yours, this earth would be God's paradise." Phillips Brooks (1835-1893)

Yuri,

Who knows where the time goes; indeed, was it not just yesterday we saw you off to Mrs. Litchfield's first grade class at Library Street School in Hudson, New Hampshire? It certainly seems to be so.

What a fine young man you have turned out to be; we could not be more proud of you, dear. Congratulations on a job well done! We hope and pray that you will enjoy all of life's finest - love, joy, peace, and contentment; not to mention good health and a long life.

With our love and best wished,
Dad, Mom, Anthony, Mario, Sergio, Francesca and Jascha
Everywhere and always - go with God.

Whitney my love - CONGRATULATIONS! I am so proud of you! Thank you for 18 incredible years of memories. You are such an inspiration to me! Love, always and forever and ever and ever and ever and ever - Dadio

Dear Lacy,

We couldn't have asked for a sweeter more loving daughter than you. You've been faithful and true to yourself. You can achieve anything that you set your sights on if you're willing to work for it. Don't set your sights to low. Because you're ready to FLY.
Love,
Your family

Congratulations Mike

Don't spin through life too fast. Take the time to enjoy what is offered. We are so proud of you.
We love you,

LOVE,
GRANDMA & GRANDPA

Karen,

Your dad and I have watched you grow from a little girl who watched the video of "Lady and The Tramp" over and over to hours of NSYNC and reality TV shows. Karen you are a rose blooming on your own time. Your magnificent beauty glows. From morning till night. We would like to protect you from the harsh days that everyone has. But we have a feeling you can take care of yourself. Take every lesson to heart. Keep standing tall now and always. Remember your dreams will always take you far. You have a purpose in like it will reveal itself in time.

Love always,
Mom, Dad, David and Kelly Yelton

P.S.
Mr. Bowties is very proud of you!

Ari,

What a journey this has been! The future is yours to hold!
We love you more than you know!

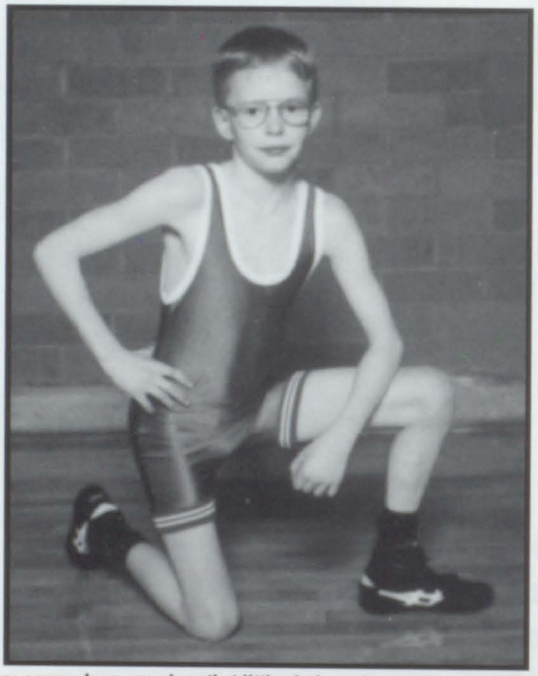
Robert

We are very proud of you. Remember that life meets no one half way. If you want something, you need to reach out and take it. Keep up the good work.

Love,
Your family

Congratulations Josh!



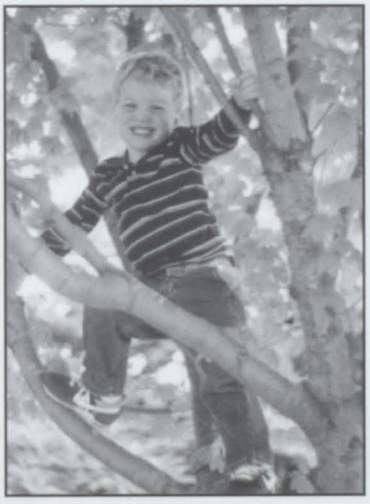
You've come a long way since that little sixth grade wrestler. You've done a terrific job! It's been a joy to watch you gorw! Follow your dreams-large or small. We love you very much!!

Love,
Mom, Dad, Sarah, Alyssa and Kilee

My sweet little Punilei-
I'm so proud of the beautiful young woman you have turned out to be. Thank you for being such a pleasure to rause, and for always making the right choices in life-
Dick would be so proud of his little "Oopsy" girl and I know he's smiling fown on you.
Always treat people the special kind of way you do, and you can do anything you choose. You are a very special person and I am so proud that you are my daughter. You'll always be my baby. Be safe. successful and secure! I love you with all my big heart!

Mom

Chris



You will climb many more tree's in life. Reach for the top of every tree you climb. We are so proud of the young man you have become. Congratulations!

Love,
Mom and Dad

Nathan,
You have always been ready for adventure, and your curiosity will help you to discover your direction. We know that you will achieve your goals. We are very proud of you. You have many gifts and strengths to contribute, and the world is a better place because of you are in it.

We love you,
Mom and Dad

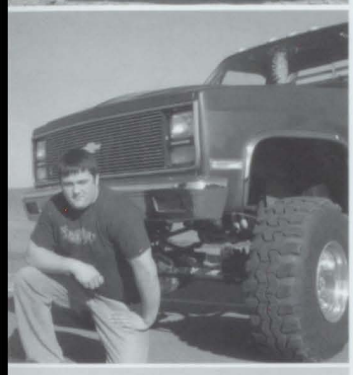
BRIANNA

WE ARE SO VERY PROUD OF YOU! REMEMBER TO LISTEN TO YOUR HEART AS YOU BEGIN YOUR JOURNEY WE'RE BEHIND YOU ALL THE WAY.
LOVE ALWAYS
MOM, DAD AND ALEXIS

Brittany

We are so proud of you. God has blessed you with so much. May you sing of "His Love Forever." Good luck in the futureand in everything you do. We love you. Dad, Mom, Mitch and Chris-

SENIOR Hall of Fame



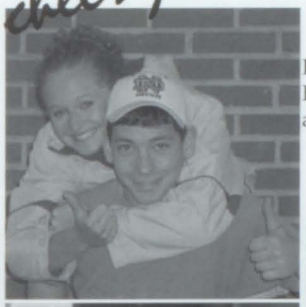
ABOVE: Nate Alfonse and Shelby Cullen have got the best trucks in the Parking lot.

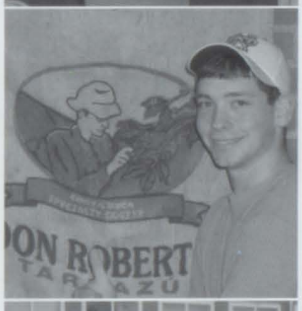
RIGHT: David Homer and Lillian Brown show off some artwork that they have just finished.

Most Artistic

Most likely to cheer you up

RIGHT: Zach Johnson and Dana Churchill will always be there to cheer you up whe you are down!





RIGHT: Dustin Geitl and Rhiannan McKenney seem to be pretty good listeners.

Most Athletic

RIGHT: Tomas Morissey and Kristann Quigley show off their athleticism.

Best Listener

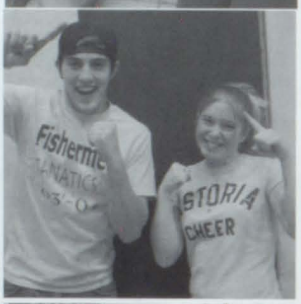
Famous fisherman...

Best Dancer

BELOW: Superman Nate Jump and Wonderwoman Heather Coy can conquer anything that comes along.

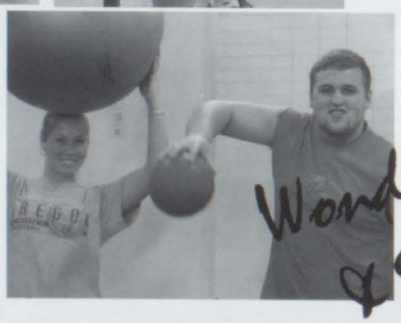
Mr and Mrs Fishermen Pride

BELOW: Erik Neilson and Maria Blanco prove to have awesome style!



ABOVE: Steve Hess and Brianna Malcom have awesome school spirit. You can always expect them to be at big games cheering Astoria on!

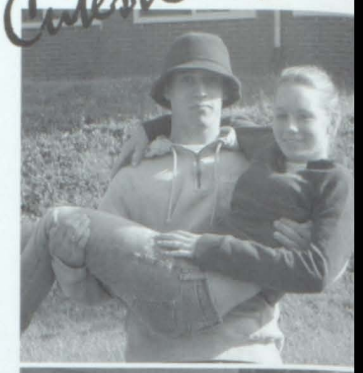
Mr. GQ & Mrs Vogue

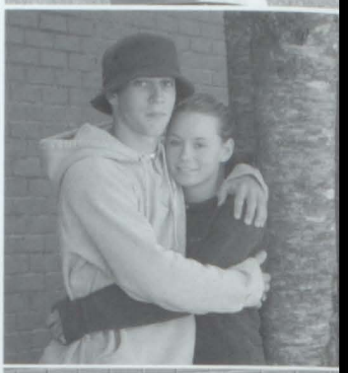


Wonderwoman & Superman

ABOVE: Anthony Hill and Sierra Shadd have the best moves on the dance floor.

Cutest Couple





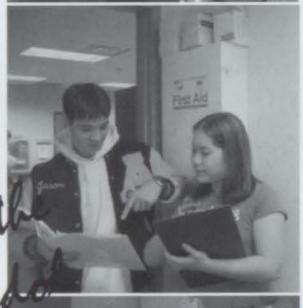
ABOVE: Digger Cokley and Ashley Forman are the cutest couple at Astoria High School.

...leave their mark on ASTORIA

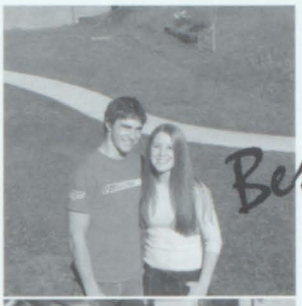
BELOW: It isn't hard to picture Jason Holyoak and Hilary Clark being doctors in the future.

Most likely to become a doctor

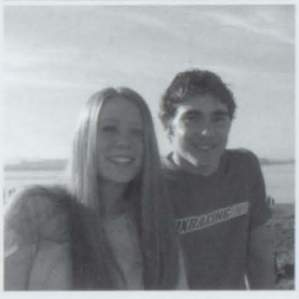
Most likely to be the next American Idol



ABOVE: Get their autographs now, because you'll probably be seeing Kent Russell or Sheleni Aiken on TV being the next American Idol!



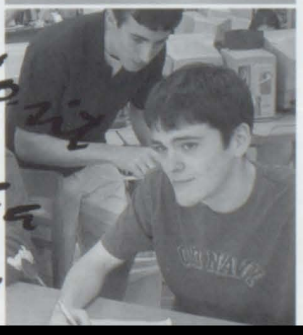
Best Smile



ABOVE: Look at those pearly whites shine!! Luke Ness and Shelby Raichl have the best smiles out of the whole senior class.

Best Person to sit next to during a test

BELOW: Greg Barnes and Addy Rutter were voted for this category many times, I'm sure many of their classmates have learned from expeirience that sitting next to them during a test is a smart choice!



Funniest

ABOVE: You can always count on Clancy O'Conner and Janine Gunn to crack funny jokes and put a smile on your face.

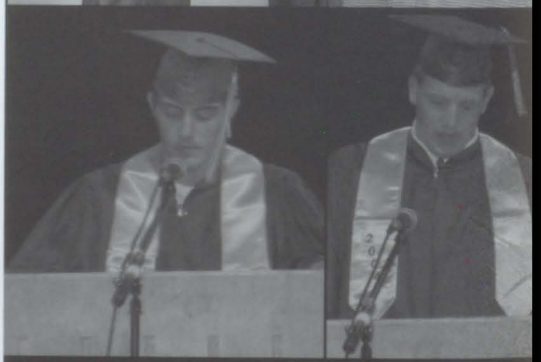
Baccalaureate

Baccalaureate is a worship sevice that celebrates the accomplishments of the graduating class, lifts thanksgiving and praises for God's guidance for the graduates as they move into a new stage in life.

LEFT: Following the ceremony, the participants, family and friends enjoyed a root beer float reception. Ana Zolotas and Shelani Aiken enjoy theirs.

BELOW: Senior Class President, Shelby Raichl led the audience in the closing prayer.

BELOW: Tasha Carpenter, Lacy Knutinen, and Kristi Chow celebrate one of their last days at AHS.

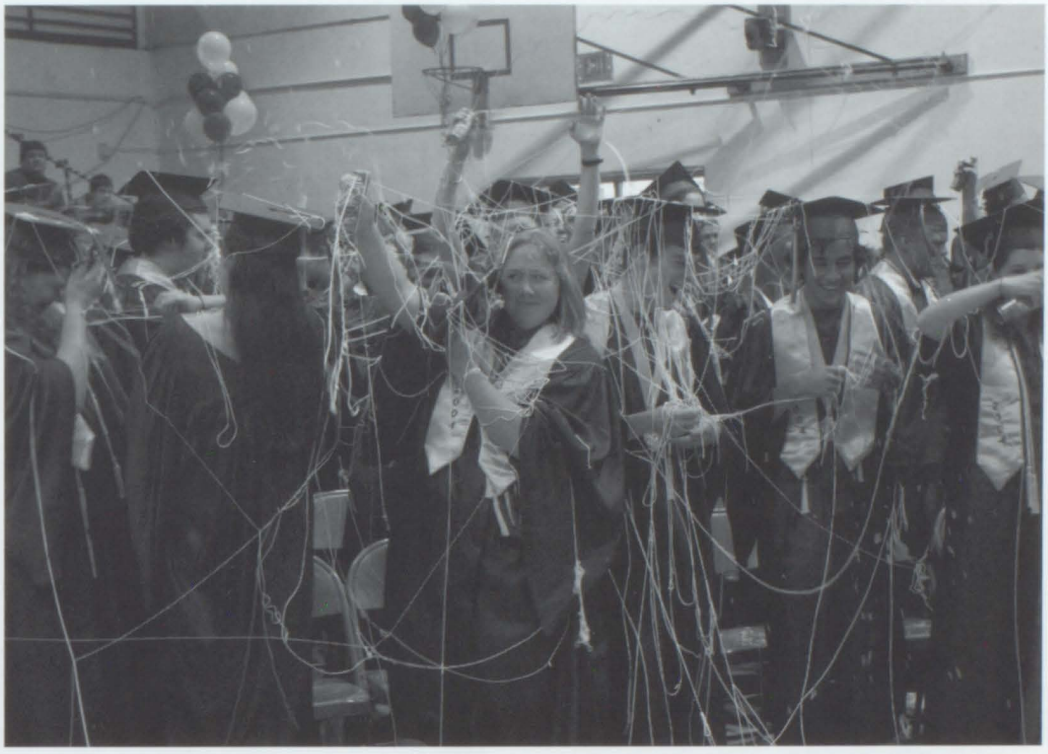


ABOVE LEFT TO RIGHT: Robert Canon, Shelani Aiken, Pastor Dave Hite, Angelo Schauermann and Pastor Chris Schauermann, Steven Hess and Dustin Gietl.

ABOVE: The Port City Singers were a treat to the audience as they sang Wade in the Water, led by Mr. Johnson and accompanied by Laurie Drage.

RIGHT: Bridget Stilwell welcomed the audience and shared a couple scriptures before she led the audience in the opening prayer.

2004 Graduation



Seven valedictorians lead the class of 2004

TOP RIGHT: Simon Merila and Addy Rutter start the show with their with various little anecdotes about the past couple years at AHS. **MIDDLE RIGHT:** Tomas Morrissey and Gregory Barnes start off with their comparison of starting school in 1991 when Bush was in Office and America was at war in the middle east. Oh how things have changed since then. Finally, **RIGHT:** Kristi Chow, Hilary Clark and Amy Landwehr share their storie of high school now and the future.

Spray confetti and cheers of joy rock the gym as the class of 2004 celebrate their commencement.

Celebrating the Future

1. We're outta here!
Ana Zolotas, Joe Van Osdal, and Kristina Demasse show some excitement as they head down the isle after the ceremony.

2. What's so funny Halie?
Hallie Duke and Digger Cokely giggle over a couple of marbles that got loose during the ceremony that Mr. Lockett picked up as they rolled slowly to him.

3. And away we go!
Amanda Coleman, Rustle Brethauer, and Heather Russell make a bee line for the door.

4. Get down and boogy!
Steven Daniel Hess can't hide his excitement and shows off his best groove move after receiving his diploma.

5. We can't wait!
Charlotte Heard and Krista Mae Rupert are all smiles as they head out of the gym.

6. Check it out!
Tyler Johnson and Dana Churchill give the crowd something to cheer about on their way down the isle.

7. Nothing but smiles.
Dana Churchill smiles and waves to the crowd after receiving her diploma.

8. Can you beleive it!
Vanessa Clarkson and Ryan Kelly look at each other as the pair before them sprayed Mr. Lockett down with confetti spray.

9. You asked for it!
Zack Johnson battles back with his can of confetti spray.

10. Strut your stuff!
David Chaney sticks his chest out and beams with pride as he receives his diploma.

11. We too much fun!
Lillian Brown, Janine Gunn, and Addy Rutter can't contain the laughter.

12. I did it!
Heather Coy show her happiness after getting her diploma.

13. Movin' out!
Vanessa Baeten gets a ride from Erik Neilson.

14. Some sly smiles.
Whitney Gunther and Gordon Eckert grace us with a coy little smile as they exit the building.

Graduation 2004

From 1991 to 2004 they have changed Astoria for years to come

1. Feed me!
This gang of super hungry boys enjoyed all the food supplied for their special night.

2. Winding down.
Susan Forrester and Janine Gunn dwell under the staircase towards the end of the night.

3. Good Form!
Adam and Jessi play a little pool before heading to the pool.

4. Yeehaw!
One of the most memorable parts of the night was Addy on the bull. She loved it!

5. Sumo time!
Chris Tucker and James Jasper prepare to do battle in fat suits.

6. Is this legal?
Playing an intense game of blackjack, Erik, Hilary, Amy, and Simon put on their poker faces.

7. Congrats 2004!
Nikole, Alissa, Whitney and Bridget take advantage of the photo room.

8. Ride 'em cowgirl!
The mechanical bull was no match for farm girl Heather Russell!

9. Superman? naah.
'The Nates', Alfone and Jump, play on the inflatable bungee cord mat that really lets you fly high when you stop running and let loose.

10. A little help guys!
Angelo Schauermann gets a little extra pull on the inflatable that allowed him a little extra height when let go.

11. Karakoe kids!
This group of grads hung out in the lobby and enjoyed karaoke competitions.

12. Hawaiian pride!
Will Leino and Bridget Stilwell show their love of their Hawaiian family members as they proudly display their leis.

13. Almost there!
Anxiously waiting in the hall before the big moment when all eyes are on them, these kids are ready to go!

14. Hit Me!
Chris Gustafson looks at the dealer and awaits his next card as Yuri and Nate Savageau look on.
